

Cultural Statement

E&R Creations is proud to be a 100% indigenous owned and operated business.

Our handcrafted jewellery is a celebration of culture, identity, and connection to Country.

Inspired by our heritage and the natural beauty of the land and sea, our pieces reflect the significance of material such as mother of pearl, which holds deep cultural meaning across many Indigenous communities.

We respectfully acknowledge the Traditional Custodians of the land on which we live and work. We pay our respects to Elders past and present, and recognise the ongoing connection Aboriginal and Torres Strait Islander peoples have to land, waters, culture and community.

We are committed to upholding cultural integrity in every piece we create. We ask that our jewellery be worn with the same respect in which it is made.

Thank you for supporting Indigenous business and contributing to the celebration and continuation of culture.
